ANNOUNCEMENT

Walter C. Mallory, who has heretofore announced his candidacy for representative in the state legislature, wishes to further say, that prior to this time he has never been a candidate for a county or a legislative office, but that at the urgent request of many friends throughout the county, he entered the race at this time as a candidate for representative.

Mr. Mallory was born in Chautauqua county, N. Y., in 1851, and came with his parents to Seville township, Gratiot county in 1856 where he has resided ever since.

He has held various township offices and has served his school district in the capacity of director for twenty years. He is at present serving as a director of the Clinton and Gratiot Mutual Fire Insurance company to which office he has been elected without opposition for nine consecutive terms of two years each; and is also at present serving his third term as a director in the Michigan State Tornado Ins. Co., of Hastings.

Mr. Mallory has always voted a straight Republican ticket and has represented his township in every Republican county convention, with two exceptions, since he became a voter.

He obtained his education in the public schools, after which he taught for several terms. He was married in 1879, and he and his good wife have raised a family of six children, and in the meantime cleared up a farm of eighty acres upon which they now reside. He has spent his time and means during all these years in helping to elect the nominee on the Republican ticket in county and legislative affairs, and now he thinks that he is honestly entitled to some recognition in this race which by the urgent request of his friends, he has entered, and he promises that if elected he will give to the affairs of state the same and attention, which in the past he has given to his private and public duties. Your support at the primaries will be greatly appreciated.

Dated Seville, Mich., Aug. 15, 1916.
Sincerely yours,
Political ad. 52-2t Walter C. Mallory

FOR REPRESENTATIVE

In presenting my candidacy for nomination on the Republican ticket at the primaries August 29, 1916 for the nomination of representative to the state legislature I wish to assure the voters of Gratiot county that if nominated and elected I shall do my utmost to look after the best interests of Gratiot county. I believe my nomination will strengthen the Republican ticket owing to the fact I am practically the only candidate from the south part of the county, our people feel that they should have some recognition on the ticket.

Harry C. Rose,
Adv. Ashley.

POLITICAL ANNOUNCEMENT

I wish to take this opportunity to thank all the friends who supported me two years ago, and to announce that I will be a candidate for re-nomination at the primary to be held Aug. 29th, 1916.

I have tried to fill the office to the best of my ability, and work for the interests of the county where it was possible, and will be very grateful for your support this year.

Respectfully yours,
B. L. CASE,
County Clerk

To the Electors of the County of Gratiot:

I am a candidate for representative in the legislature. You have been busy, so have I, so much so that I cannot get around to see you. But I take this way to say that if elected I will give you the best there is in me as your representative.

I kindly ask your support on Aug. 29, 1916, which is primary election day.

Our New Motor Hearse, built to our order by the Michigan Hearse and Motor Co., of Grand Rapids, Mich.

We have been contemplating motor equipment for some time, feeling our friends would appreciate this up-to-date equipment that would permit us to serve them without delays incident to long trips with horse drawn vehicles. We have carefully studied the various designs now on the market and carefully weighed the advantages of each and have bought a limousine hearse. We are glad to say that we are ready to serve you with the very latest and best of motor equipage.

The limousine style car is essentially an automobile design and we have therefore selected this design, both on account of its handsome, rich appearance and due to the fact that investigation shows it to be far superior in service to the old designs, and we are pleased to tell you that we are prepared to meet your most exacting demands.
